EXAMINER

PATEL, ISHWARBHAI B

ART UNIT PAPER NUMBER

2827

DATE MAILED: 11/29/2002

Please find below and/or attached an Office communication concerning this application or proceeding.

Art Unit: 2827

1. The amendment (RCE) filed on October 31, 2002 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for the prosecution on the merit. Newly submitted claims are directed to a method of electro processing, where as originally examined claims were device claims.

As 35 U.S.C. 132(b) and 37 CFR 1.114 provide continued examination of an application (and not examination of a continuing application), the applicant cannot file an RCE to obtain continued examination on the basis of claims that are independent and distinct from the claims previously claimed and examined as a matter of right (i. e., applicant cannot switch inventions) (see 37 CFR 1.145).

2. Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ishwar (I. B.) Patel whose telephone number is (703) 305 2617. The examiner can normally be reached on M-F (6:30 - 4) First Friday Off.

Application/Control Number: 09/437,882
Art Unit: 2827
